

ELECTRICALLY CHARGED
PRINT MEDIA

ClingZ® is an adhesive free electrically charged graphic film that adheres to any dry interior surface.

Effortless to apply and fine tune into position, ClingZ will not damage even the most sensitive surfaces or leave a trace of residue. ClingZ uses an electric charge which means no glue, tape, tacks or pins required. ClingZ is ideal for temporary indoor signage and marketing applications.

ClingZ® Offset

ClingZ® Standard

This offset printable product is suitable for a job of any size, and ideal for temporary indoor marketing applications for up to 6 months. The product consists of a polypropylene face and a 10 pt. printable backer.

ClingZ® Versaliner Offset

Designed for improved handling and processing in offset and UV Inkjet flatbed printing, the ClingZ Versaliner uses a full-contact backer to enable improved handling on press, while still delivering all the features and benefits of the standard ClingZ product. The product consists of a polypropylene face and a 10 pt. printable backer.

ClingZ® Wide Format

Produced in rolls, and with a full contact PET backer for optimal layflat on press, ClingZ Wide Format enables designers to use the ClingZ technology for even more applications. The product consists of a polypropylene face and a 3 mil. PET backer.

ClingZ® HP Indigo

Optimized for excellent compatibility with HP's Indigo printers, ClingZ for HP Indigo combines the same unique features of ClingZ Versaliner with all the advantages of digital printing. The product consists of a polypropylene face and a 10 pt. printable backer.

Applications

- Retail point-of-purchase
- Point-of-care
- Tradeshows and events
- Screen safe labels
- Holiday décor
- Guerrilla marketing

Product information

- Adhesive-free media for any dry surface
- Effortless to apply and remove, repositionable – no surface damage
- Can be die cut, kiss cut, perforated, scored, and folded
- Easily tillable for large coverage graphics
- Chemically inert, PVC-free, phthalate-free and recyclable

Colors Available

- White
- Clear
