

MasterJet

Starfish

Features

- Matt white and clear promotional Polyester film designed for quick and easy installation with repeat stick & peel performance;
- Anti-reflective matt surface for optimum ink adhesion, scratch- and water resistance;
- Print-to-Go. No lamination necessary, even for outdoor use, if allowed to harden and not attacked;
- Perfect for quick and easy install, window, mirror and locker display/decal applications;
- Repeat stick & peel performance for glass, metal, enamel & gloss paint;
- Adheres by way of a unique suction-cling;
- Residue free removal, even after longer term (internal) applications;
- Ideal for indoor and suitable for promotional outdoor applications on smooth, flat, clean & dry surfaces;
- Printable with latex, UV and eco-solvent wide format ink systems.

Product Details

Expected durability*	Up to 3 months, unprinted on vertical exterior surfaces.
Printability	Latex, UV & eco-solvent inkjet.
Removability	Easy to be removed indefinitely when installed following correct protocols.
Shelf Life	18 months stored 10°C - 30°C, 20% - 50% RH

Graphic application - recommendations	
Surface	Dust free, oil free, smooth, flat, surfaces
Temperature	10°C - 30°C air and substrate, and 30% - 70% RH

The user is responsible for determining the product's suitability for the intended application. Data represents average values where applicable, and is not intended for specification purposes. All statements, technical information (including physical and chemical characteristics) and recommendations about Stick On Signs products are based upon tests believed to be reliable but do not constitute a guarantee or warranty. Specifications may change without notice.

*Expected Durability is an estimate (based on the manufacturers testing) of how long the product (unprinted) may perform satisfactorily in a vertical application in temperate non-extreme conditions. Actual performance life will depend on media and surface preparation and exposure conditions. For example, the direction and angle of the graphic; in areas of long, high temperature exposure; in areas of high pollution or high altitudes, outdoor performance will be decreased. Note, there is no warranty associated with this estimate. Laboratory test reports available upon request at cost.

Stick On Signs liability for defective products shall not exceed the purchase price paid by the purchaser or user and under no circumstances shall Stick On Signs be responsible or liable for any direct or indirect consequential or incidental damages or charges (this includes but is not limited to labour, loss of profits, revenue, business, opportunity and so forth) foreseeable or otherwise caused by defects in the Stick On Signs product.
